Liming Heavy Industry(Shang Hai)

How to find us

We look forward to cooperate with you!

By airplane

If you travel by airplane we recommend landing at the Pudong Airport (distance approx. 17.2 km) or at the Hongqiao Airport (distance approx. 38.2 km). Afterwards we will pick you up at Pudong Airport or Hongqiao Airport and book the hotel for you! Finally, our sales manager will lead you to visit our factory and inspect the machines

By train

If you travel by train, the Shanghai rail stations, Shanghai South Railway Station and Shanghai Hongqiao Railway Station are situated nearby. After your rail journey we recommend to continue travelling by subway or taxi. If you travel by taxi, the distance from Shanghai Railway Station to our branch is about 33km, the distance from the Shanghai South Railway Station to our branch is about 45km, the distance from Shanghai South Railway Station to our branch is about 38 km, If you are in Shanghai Hongqiao Railway Station, You can also take the subway line two and exit from the east Huaxia Road Station. If you are in Shanghai Railway Station, you can take line four firstly and change line two at Century Avenue, at east Huaxia Road Station, we will pick you up.
